## ABOUT THIS BOOK

Why do we hold onto things we don't need? And let go of the things we do?

Miriam is twenty-nine: temping, living with a flatmate who is no longer a friend, and still trying to find her place in life. She falls in love with Erik after he employs her to clear out his paper-packed home. They are worlds apart: he is forty-five, a successful photographer and artist and an obsessive hoarder still haunted by the end of his marriage. Miriam has an unsuccessful love life and has just got rid of most of her belongings. Somehow, they must find a way to reach each other.
