In *Shadow Behind the Sun*, Remzije Sherifi places the events of the 1990s in the context of her family's experience through a period of over 100 years, culminating in her own flight from Serbian forces in 1999. It is a gripping uplifting story of endurance, love and hope. In the same narrative she shows the work of the Integration Networks in day to day detail and invites the reader into the world of the Asylum Seeker.

Remzije Sherifi was a radio journalist with radio Gjilan in Kosova. She is now a British citizen and works with asylum seekers and refugees in Glasgow.
