

An Eye to the Hills

Cameron McNeish

'A love letter to Scotland's wild places.' -Mark Stephen

ABOUT THIS BOOK

For over four decades, Cameron McNeish has chronicled Scotland's majestic landscapes and the outdoor communities who inhabit them.

While much has changed, especially in terms of conservation and access, the hills themselves remain little altered, as do the reasons people visit them. In this collection of essays and diary entries, Cameron shines the light of experience on memory, and renews his vision, keen to share his insights with the many people who love Scotland's outdoors.
