

Last Will

William McIntyre

ABOUT THIS BOOK

Blood is thicker than water - but it's not as hard as cash. The trial of Robbie Munro's life: one month to prove he's fit to be a father. No problem. Apart, that is, from the small matter of a double-murder in which Robbie's landlord, Jake Turpie, is implicated. Psycho-Jake demands Robbie's undivided attention and is prepared to throw money at the defence - along with some decidedly dodgy evidence. Robbie has a choice: look after his daughter or look after his client. Can the two be combined to give the best of both worlds? Robbie aims to find out, and his attempts lead him into the alien worlds of high-fashion, drug-dealing and civil-litigation. It's what being a father/lawyer is all about. Isn't it?

ABOUT THE AUTHOR

WHS McIntyre is a lawyer involved in criminal defence work for so long that he can remember when the Scots Criminal Justice System was regarded as the best in the world, the days when it was "better that ten guilty men go free than one innocent man be convicted."
