RRP: £8.99

ISBN: 9781910124741
Extent: 320

'The writer's career as a police chief has supplied a key ingredient for the crime fiction form: credibility.'

-Barry Forshaw, author of Nordic Noir

'The narrative concern with digital technology is on a par with Stieg Larsson. What makes Lier Horst distinctive is his haunting ability to find the feasible in the psychopathic.'

-Steven Peacock, Swedish Crime Fiction

ABOUT THIS BOOK

The Hummel case has bothered William Wisting for more than six months. The investigation into what happened when taxi-driver Jens Hummel disappeared has been fruitless, and he has to endure criticism. A crucial discovery directs suspicion at Dan Roger 'Danny' Brodin. The problem is, however, that Danny is already in prison, convicted of another murder. Wisting is accustomed to building up a solid case for the prosecution, but this time things are different. Now he has to use all his expertise and experience to unpick a case that other people already believe to be over and done with. He follows his own convictions – all the way into the courtroom.

SALES AND MARKETING HIGHLIGHTS

- The author's fifth novel translated into English
- The Hunting Dogs won The Glass Key Award in 2013

ABOUT THE AUTHOR

Jorn Lier Horst is the author of the highly successful William Wisting series of crime novels. Ordeal is the fifth to be translated into English after Dregs, Closed for Winter, The Hunting Dogs and The Caveman. Previous books in the series have won the Riverton Prize, the Glass Key, and the Martin Beck Award.
