## ABOUT THIS BOOK

Amelia Dalton, fresh from touring the Scottish islands, takes on the world and sets up exclusive holidays in remote places for a new cruise ship. As she scopes out her itineraries, she explores inaccessible islands and survives a hotel fire, a bomb in a palace, being stung by a scorpion and thrown into jail. Meanwhile, she's being wooed from afar by a mysterious stranger who turns up in the most unexpected places.

## ABOUT THE AUTHOR

For ten years, Amelia Dalton owned a small ship running cruises to the remote island chains of Scotland's stunning West Coast, gaining her commercial qualifications as a captain, before going on to develop exclusive cruises across the world. She now advises individual clients on river and ocean cruises and runs her own travel company, Amelia Dalton Travel.
